6539

Dear Mrs Johnstone

Re: Request for access to information

Your correspondence dated 27 October 2004 refers.

Kindly be advised that your request has been considered and we hereby provide the following documentation:

- Clinical Notes (Annexure A);
- Court process e.g J138A (Annexure B);
- Medical Report of Dr Rausch (Annexure C);
- Letter from Ms Erasmus (Annexure D);

We have been advised by the George provincial Hospital that they are not in possession of the report of Dr B E Boon. As such we are unable to provide this document.

Regarding your further correspondence dated 18 November 2004 we wish to advise that the Department will not be responding to your request for comment regarding the origins of HIV/AIDS.

We trust that you will find the above in order.

Yours faithfully

Mr A Searle
Directorate: Policy and Planning
